

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is both irresponsible and dangerous.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Airing propaganda and calling it news is a deception that should not be permitted by responsible journalists.

Please stop Sinclair from bullying the electorate. They are proof that the mega-corporations will stop at nothing to elect George Bush.

There has to be some oversight. You must stop them from making a mockery of the right of free speech. Their abuse of our freedoms is unconscionable.
